**Do you want to get inspired by the combination of
VULKANO's 5 innovative strategies?**

**VULKANO offers an advanced and integrated retrofitting solution to end
users and furnace manufacturers in energy intensive industries.**

Join us to discover more and profit from VULKANO!

- 14:00** Welcoming
- 14:05** VULKANO solution
- 14:25** Success stories
- 14:45** Networking session
- 15:30** Conclusions

Advanced Energy Recovery
System based on PCM

Co-firing

Advanced Refractories

Holistic Predictive Tool

Monitoring and Control
System

Coordinated by:

Project VULKANO "Novel integrated refurbishment
solution as a key path towards creating eco-efficient
and competitive furnaces" N° 723803

This project has received funding from the European
Union's Horizon 2020 research and innovation
programme under Grant Agreement N° 723803
